## WELCOME TO A HIGHLY PERSONAL, **DETAILED** LEVEL OF SERVICE.

Before you even purchase your first Jenn-Air® appliance, we're committed to providing you with an exceptional level of care. We're here to answer any questions you may have about our appliances.

Once you become a Jenn-Air® appliance owner, you'll receive the same dedicated attention. Additional benefits like special offers, product features and more also become available to you.

We hope you'll appreciate the care we put into the design of our appliances and every facet of your experience with Jenn-Air.

### Concierge-level care

Our dedicated specialists, thoroughly trained on all aspects of Jenn-Air® appliances and owner support, are ready to advise you on details like style, finish options and product features. They can assist you with questions about appliances, dimensions and installation, and parts or service issues.

### Certified installation

To help you enjoy your Jenn-Air® appliances as soon as they arrive in your home, we offer a smooth installation process performed by highly trained experts. Our network of certified installers receive extensive training on the finer points of installing Jenn-Air® appliances as well as their innovative features and how to use them. So, you can be confident that you'll receive top-quality installation.

### Get additional product coverage

If your Jenn-Air® appliances are installed by a Jenn-Air Certified Installer, you will receive a complimentary one-year extended service plan when your product is registered.\* Ask your sales associate for program details or contact Jenn-Air at 1-800-JENN-AIR (536-6247).

\* All Jenn-Air® appliances carry a minimum limited warranty of one year parts and labor. The complimentary one-year extended service plan does not replace the manufacturer's limited warranty but does provide additional benefits for a specified period during the limited warranty term. Visit [jennair.com](http://jennair.com) for more information on product warranties, service plans or to locate a dealer or certified installer near you.
